Mar 2016

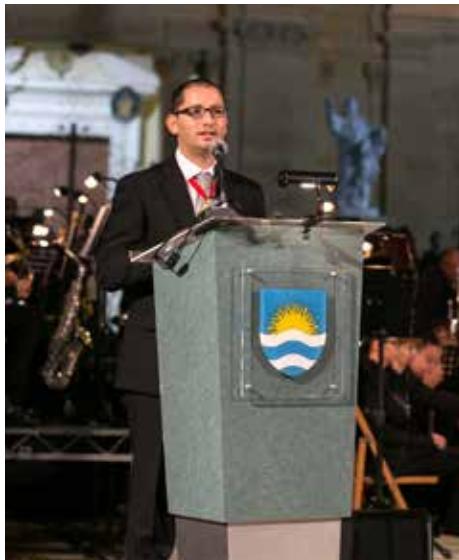

**Pjazza San Pietru
u San Pawl**
tingħata lura lin-Nadurin

Inaugurazzjoni tal-Pjazza

Ix-xogħol fuq il-Pjazza ewlenija tan-Nadur, ko-finanzjat minn fondi Ewropej, tlesta fi żmien sena, u f'Novembru li għaddha dan il-proġett ġie jnawgurat mill-E.T. President ta' Malta. Hekk issa għandna spazju iehor pubbliku, post rikreattiv u centru li jixraqilna. Fix-xhur li ġejjin ser issir aktar hidma sabiex jiżdiedu is-siġar, ikun hemm postijiet għal imwejjed u siġġijiet, u anke aktar aċċessibilita.

EU co-funded works on the main Square were inaugurated back in November, so that Nadur residents and visitors have now yet another public and recreational space. More enhancements to be carried out in coming months.

Rilokazzjoni tal-Monti

F'Jannaril-Kunsill komplajagħti l-hajja lil Pjazza permezz ta' rilokazzjoni tal-Monti. Issa għandna Monti fil-Pjazza li huwa ferm aktar organizzat u li jixraq il-l-istess centru.

Open Market hawkers were relocated in a much more organised manner to the main Square.

Auviżi

Il-Kunsill Lokali tan-Nadur, b'fondi Ewropej, qed jinstalla numru ta' totems li jindikaw ir-rotot għal l-isbaħ mixxjet fin-Nadur. Dawn kollha jitilqu mil-Pjazza u jieħdu lil vizitaturi fl-isbaħ postijiet fil-lokalita. Qed nitolbu lil kulhadd sabiex jifhem l-importanza ta' dawn it-totems, nevitaw kull tip ta' vandalizmu, u ninkorajgħixxu l-residenti li jkunu huma stess dawk li jieħdu ī-sieb dak li jagħmlilna ġieħ. Kull rapport li jirċievi l-Kunsill jkun trattat b'mod kufidenzjali, u rapporti anonimi jiġu milquha wkoll.

The Nadur Local Council is installing walking paths totems in several areas, funded by the EU. Whilst expecting everyone to understand the concept behind these, we condemn any type of vandalism, and encourage residents to report (even anonymously) any sort of act to damage these totems.
