Self-evaluation

- Choose a place where everything will be held there
- 5 other Maltese participants besides us, because of lack of human resources – so we need to make a difference between organisers and participant
- Include more activities and workshops – focus more on theme, and stick to the timetable
- Be strict on time
- Project needs to have a theme that each activity will revolve around, the activities for this exchange were a little bit 'loose'
- More preparation time
- More energisers
- Spend more time at the hostel with the participants
- Involve the foreign participants more – dinner, workshops, cleaning up

5. Everyone has agreed on creating a statute and a financial account
6. Hold a future meeting to write the statute
7. Shaun to contact Rita

Brainstorming for Open Market

- Friendship bracelets
- Rachel – donuts
- Simone – lemon cake
- Rita – cupcakes
- Competition – who grabs the most apples from a bowl of water
- Competition – Facebook likes – dress in a costume, the one with the most likes wins

Brainstorming for Car Free Day

- Zumba
